

Sponsorship Form for Borough of Lemoyne's Master Streetscape Improvement Plan

Phase 1A of Lemoyne's master streetscape improvement plan has been funded by the Department of Community and Economic Development, Cumberland County and Grower Greener II Funds. You can help us leverage these public funds through your sponsorship of some of the materials that have been selected by the committee. These donations will allow the Revitalization Committee to expand the scope of the phase that has been funded to include part of Phase 1B. Phase 1A and 1B includes Market Street from Third Street to the Hess Station at Market and State Streets.

These two phases of the project are expected to be completed by July 2010.

Please return this form and payment by June 30, 2010.

Thank you!
